

## Asbestos Notification

The EPA “Friable Asbestos-containing Materials in Schools Identification and Notification Rule” (40 CFR Part 763) requires that all public and private, primary and secondary school inform all school employees and the School’s Parent-Teacher Organization, of the location of friable ACM within the building.

The following is a “building by building” summary of the test results from the investigations conducted by ATEC, Inc.

- Benton, Millersburg and New Paris Elementary Schools: The buildings contain no friable ACM.
- Fairfield Jr.-Sr. High School: The building contains no friable ACM.
- The Fairfield Administration Building contains no friable ACM.

Asbestos Management Plans are available for inspection in the above offices.
