

# ***Our Community, Our Schools***

Four years ago, Fairfield Schools began the Our Community, Our Schools initiative to grow opportunities for students, improve facilities, and shore up our student enrollment to stay viable as a district. Superintendent Steve Thalheimer is going to “reboot” that initiative with a focus on students and their needs and the role that parents and community can play through a series of public presentations.

Following a presentation for district staff on February 5, Thalheimer will make three more presentations to the public on the following dates:

- Tuesday, February 6 at 6:30 at Benton Elementary
- Monday, February 12 at 6:30 at Millersburg Elementary-Middle School
- Thursday, February 15 at 6:30 at New Paris Elementary

Parents, students, staff, and community members are welcome to attend any of these three presentations.
