Report Cards are being sent home with students today. The Report card is yours to keep, please sign the envelope and return it to the school.

January 16th is a staff development day. Please note that there is NO elearning or school on this day.

Attention 6th grade parents there will be a student and parent night on January 26th at 6:00 pm in the Fairfield Auditorium for incoming 7th graders. Information to be covered will be schedules, classes, expectations, elective choices and much more. Please plan on attending and we look forward to having you there!

Registration for T-ball/baseball/softball is now open! Be sure to go to fairfielddouthleague.engagesports.net to sign your child up for the 2023 season! Registration is open until January 20th! Please email FFYouthLeague@gmail.com with any questions.

New this year, textbook money is due January 31, 2023. Statements were mailed out again yesterday. If you qualify for Textbook assistance you will not owe until the spring.

Pre-K If your child will be 4 by August 1st and you are interested in sending them here to go to preschool in the fall, Registration opens February 1st. You may come to the office on or after Feb. 1st to get a sign up packet; or we could send information home with a sibling. Please let the office know if you would like it sent home with a sibling. 831-2196 This is a tuition based Preschool, space is limited.

Yearbooks are now for sale! Order your yearbook by March 17th! Order forms were sent home today, or you can order online at inter-state.com/order and use code 75104M. The cost is \$11.50.

A Note from the nurse: It's that time of year! Weather change illnesses are common and spreading. If your student complains of cold or flu-like symptoms before school, please be sure to check their temperature. Students with a temperature of 100.4 or higher should remain home until 24 hours fever free without the use of medication. PLEASE DO NOT GIVE YOUR STUDENT TYLENOL/IBUPROFEN AND SEND THEM TO SCHOOL. These medications temporarily bring down the fever but do not make the illness any less contagious. Thank you for your understanding and cooperation in helping keep our school safe and healthy!"

Parent Tip: Reading together at bedtime helps transition a busy day full of activities and screen time into a quiet, peaceful time. Reading aloud together gives you a chance to introduce your child to new books and you can use that material as a jumping off point for the more in depth discussions that start happening at this age which aren't always comfortable for parents or kids.

Jan. 16 - No School; Staff Development Day
Feb. 17 & 20 - Snow Make-Up Days
