## The February lunch menu is on the back of this Cub Reporter

**New this year, textbook money** is due **January 31, 2023**. If you qualify for Textbook assistance you will not owe until the spring.

**Mobile Dentist** is coming to New Paris Elementary Friday, February 24th. Forms are due Friday, January 27th. Online sign ups may be completed through Monday, February 20th. If you have any questions please visit the Mobile Dentist website ([mobiledentists.com](http://mobiledentists.com)) or contact our school nurse, Mrs. Kaufman.

**Pre-K** If your child will be 4 by August 1<sup>st</sup> and you are interested in sending them here to go to preschool in the fall, Registration opens February 1st. You may come to the office on or after Feb. 1st to get a sign up packet; or we could send information home with a sibling. Please let the office know if you would like it sent home with a sibling. 831-2196 This is a tuition based Preschool, space is limited.

**Yearbooks** are now for sale! Order your yearbook by March 17th! Order forms were sent home today, or you can order online at [inter-state.com/order](http://inter-state.com/order) and use code 75104M. The cost is \$11.50.

**A Note from the nurse:** It's that time of year! Weather change illnesses are common and spreading. If your student complains of cold or flu-like symptoms before school, please be sure to check their temperature. Students with a temperature of 100.4 or higher should remain home until 24 hours fever free without the use of medication. **PLEASE DO NOT GIVE YOUR STUDENT TYLENOL/IBUPROFEN AND SEND THEM TO SCHOOL.** These medications temporarily bring down the fever but do not make the illness any less contagious. Thank you for your understanding and cooperation in helping keep our school safe and healthy!"

**Parent Tip:** If you're going to make a rule in your house, be sure it is a realistic one and one you can enforce. By giving your child a rule he can't follow, you've set the both of you up for failure and frustration. Think through the rules and limits ahead of time to prevent this.
